

OFFICE OF SECURITY WEEKLY STAFF MEETING

ROOM 4E-64

6 January 1977

25X1A

4. Briefing of DCI Designate

The Director of Security reported that the DDA and he briefed the DCI designate this week. This briefing did not address substantive issues, but rather focused upon matters of an administrative and personal nature of which an incoming DCI should be cognizant.

Also included in the briefing was a discussion of personal security support afforded the DCI by the DCI Security Staff. Additional orientation type briefings are to be scheduled with substantive briefings to commence following confirmation.
